Attended Pringle Grade School , Leslie Middle School in the 7th grade, and Judson for grades 8 & 9. Then off to SSSS.

Attended Oregon State University (OSU) 1963-67, with two terms at Central Oregon Community College in my sophomore year. I graduated in the class of 1967 with a major in General Business and Technology, and a minor in Mining and Petroleum Geology.

I served in the US Army from 1968-1971, spending 30 months in Germany as a Counter Intelligence Special Agent. While there I got together with Glen and Susan Johnson, and Wally and Janet Ogdahl.

Following military service I spent over 22 years working for oil and natural gas companies.

For the past 12 plus years I have worked for the State of Oregon, first at the Oregon Public Utility Commission, and since late 2006 at the Oregon Business Development Dept. Currently I am the regional Business Development Officer headquartered in Bend and serving six counties.

I have two children: My son lives in California and he and his wife have three boys ages 8, 7 & 2. My daughter lives in Washington state.

My long time girl friend, Dianne and I enjoy snow skiing (Dianne got in 89 days last season), sail boating with our two boats, one is moored at Elk Lake and the other at Detroit Lake, traveling, spoiling grandchildren, hiking, music and reading.

We skied this year in Utah, Idaho and Wyoming. We saw Jack Sparks while in Sun Valley, and Howard and Randi Phillips on the Grand Targee trip.
