Grandchildren: Nolan (7) and Parker (5)

After graduation I went onto OSU and earned my degree in Elementary Education (Class of 1967). At OSU I meet and married my husband of 46 years Bill McCormack. After graduation I taught school in Sunnyvale CA while Bill was getting his Masters from Stanford.

Together the Army took us to Maryland and then onto Texas. After getting out of the service we returned to Oregon. I was very fortunate to be able to be a stay at home Mom. I did a lot of volunteer work in the North Clackamas School District. After our two sons departed off to OSU I took up the game of Golf. At this point most of my volunteer work was through golf. We belong to Portland Golf Club where I served as their Women's Board President. Also for many years I was very active in Oregon Women's Golf and served as our club's rep for two terms as the organization's treasurer.

Bill retired from his Construction Company this past year and we started a new phase in our lives. We've have become Snowbirds spending six months in Oregon and six months in Palm Desert, CA in a community called Ironwood. Our California club has two golf courses which suits us to a tee. Together we have undertaken the game of Bridge. The six months we spend in Portland we have a family business with our son's, McCormack Properties, where we own commercial buildings that we lease to many tenants. Also we return to golfing in the North West and spend a lot of time with our family.

Bill and I truly love our lives.
