After graduating from South, I attended the University of Oregon, graduating in 1967 with a degree in Elementary Education. I married Tyler Sermon (class of 63) my high school sweetheart in 1967. We celebrated our 46th anniversary this past June. We have remained in Salem all these years and still live in the same house we purchased as newlyweds. I taught in Salem-Keizer for several years before our first daughter was born and then took time off to stay at home with our two girls. I later returned to a rewarding career as a first grade teacher, retiring in 2006.

Life has been good and filled with many adventures. Trips to Hawaii and the Caribbean remain standouts. Other travels include Europe, a cruise to Alaska, fishing trip to Alaska, and rides on the BMW motorcycle to the Grand Canyon, Bryce, Canada and roads less traveled.

Our whole family continues to enjoy snowmobiling in the winter. Even the little ones have snowmobiles. We especially enjoy the Three Sisters area near Bend. Summer finds us boating and jet skiing or riding the sand dunes at Winchester Bay. We take our RV toy hauler camping out on the sand at least once a month. Again, family usually joins us and the two youngest grandchildren have four wheelers and

are learning the rules of riding safety. Retirement has allowed more time for fishing, hunting, gardening, reading, and time with the grandchildren (always a joy).

I am blessed that both daughters and families live nearby (Salem and Tigard). We have enjoyed family vacations to Hawaii and this year took a trip to Disneyland to celebrate my birthday and my granddaughter's 5th birthday. We also spend a great deal of time at our Black Butte house in Central Oregon.

Looking forward to the 50th celebration. What a milestone.
