After high school I went to OSU for one term. Next I enlisted in the US Army. The army was good to me. I spent time on the East Coast with the 3rd Special Forces, then to the Panama Canal Zone with the 8th Special Forces. I took a short break and got married to my late wife Beverly. We have seven living children. I remarried Jeanie Graber. The Army sent me to Germany and then to Jordan, South Korea.

We enjoy trips to Mexico, the Oregon Coast and Hawaii.

Currently, after retirement, I split time between Nicholas, Manteca and Beale AFB in California where I am a regular at the Veteran's Hospital in Rancho Cordova, CA.
