Where have the last 50 years gone? After graduating from South, I attended the University of Oregon, graduating in 1967 with a degree in elementary education, married Tom Hill (SSHS Class of 1962). We moved to Los Angeles where we lived for three years with me teaching and Tom putting his engineering degree to work for the City of Los Angeles. We returned to Salem in 1970 and I have lived here ever since.

I continued my teaching career and Tom went into the family business. I retired from teaching in 1980 and became a stay-at-home-mom and a full-time community volunteer. Sadly, Tom died in 1995 from Leukemia.

After my children graduated from college, I continued my volunteer work with several non-profit organizations in Salem. I love to read, travel and work in my garden. Of course, being a grandma is the best! In 2009, I met a wonderful man named Tom and we have had a fabulous relationship. LIFE IS GOOD!
