Graduated from OSU in 1967. Married husband, Richard, in 1968. Lived and worked in San Diego, Vallejo, and Antioch, CA; Salem and Corvallis, OR.

Retired in 2003 from the City of Corvallis. Purchased a winter home in Palm Desert, CA in January 2009. Love to travel and have been to Spain, China, Tanzania, Kenya, Turkey, Greece, Mexico, Canada and several Caribbean islands. Last summer enjoyed spending time in Prague before getting on a riverboat in Vienna and cruising 16 days through Germany to Amsterdam. Escape to Hawaii every year or so for a couple weeks. This year we were there in February and May and hope to go again in October before heading south for the winter.

Also enjoy traveling to other US states and had a great time at the Albuquerque Balloon Festival last year. This June we were at Lake Tahoe for a week and then Park City, UT for a week. We will be in Vancouver, BC and Leavenworth, WA in September.

We take every opportunity to connect with SSHS classmates during our travels, especially in Arizona and New Mexico. The travel bucket list is long. Enjoying Palm Desert where we volunteer at the BNP Paribas Tennis Tournament in Indian Wells.

We have the best of both worlds...summer in Oregon and winter in Palm Desert. Life is good.
