I married Gary Nye, Cascade High School, class of 1963. We have been married almost 49 years. We have three grown sons, Mark 45, Jonathan 41, and Daniel 36, who will be getting married this fall to Liisa.

Grandchildren: Emily 16, Brandon 14 and Timothy, 10. (Mark & Linda); Hailey, 9, Claire and Luke, 5. (Jonathan and Rachelle)

I retired in 2003 after 21 years with Cascade School District. Gary retired in 2007.

We love traveling, and hope to do more. We did an Alaska cruise when I retired, and have gone to Finland, spending two weeks there, visiting Daniel and Liisa. We went to Europe for 23 days, meeting Daniel and Liisa in Barcelona, and traveling through six other countries. We are hooked on Hawaii and have gone for the past several years spending three weeks. We also love traveling in our motor home with a group of friends.

We seem to keep quite busy with traveling, gardening and with our church. We also love spending time with our children and grandchildren.

We won't be able to make this reunion, as our middle son, Jonathan will be dedicating a new Charter School that he co-founded in Castle Rock, CO. That is August 23, and we will be attending the dedication. Hopefully, we will be able to make the next one!
