Hi Classmates: sorry I won't be at the reunion. We have a can't-miss family commitment, but I'll be thinking of you.

Looking back, it sure seems that we had a really good high school to go to: great teachers and fellow students.

Not much different to report from 10 years ago: Pies for Peace is in its 10th year and we will pass \$50,000 in donations to Mercy Corps for victims in Iraq and Afghanistan this year.

Mark retired in May and is this ever fun!! We now stay up past 9 pm and forget what day of the week it is, and pursue unbridled our passion of finding and swimming in pristine water. This is a picture of my best possession – my Osprey Standard Pygmy sea kayak. I love my boat and life if good!

PS: Warning: my Facebook skills suck.
