After high school I attended OSU. Graduated in 1968 and went into Navy Seabees. Spent two tours in Vietnam and came back into Valley Oil Co. in 1971. Developed aviation fuel business as a division of Valley until I sold out and retired in 2010.

Mary and I celebrated our 40th anniversary in 2012 and live east of Salem in the house we built in 1974. I still have business interests with two of my daughters and travel to Houston, TX and Washington DC where they live.

I enjoy golf and tennis on a regular basis and am looking forward to seeing all of you at the reunion.
