Well I went to Chemeketa for two years. In June of 1966 I got married, and we had two girls Beth and Becky.

I worked for a land surveyor on the Oregon coast, and then worked for CH2M and Hill in Corvallis until 1969.

I went to work for the Oregon State Police in 1969 to 1971 in the Roseburg area.

Earlene and I divorced in 1973 and 1974, it seemed like a good idea at the time.

I went to work for Roseburg Forest Products in 1971 and retired in 2008.

I married Betty Jo in 1975. She had two boys, Scott and Rob, who's birthdays were within a few weeks of my girls. When we had all four kids for a few weeks in the summer it was like we had two sets of twins.

I have been blessed with a wonderful life, good wives, great kids and fantastic grandkids.

We have eight grand kids, Jesseca 21, is going to Lane CC in Eugene, Zack 19 PFC USMC in 29 Palms, CA studing electronic, Chelsea 18, will be going to OSU. her goal is to be a Vet. Sawyer 15, is going to Crater High, in Central Point, OR. Sidney 14, starts High School in Tacoma WA. Garret 13 is in Middle school in Grants Pass, OR.

Finnegan, 6, is in first grade in Spokane and Declan is 4 and he helps his dad teach history at Gonzaga.

I was a volunteer Firefighter for 11 years at one department and six years on another. I worked with little League Baseball when the boys were of that age. I was active in a mainline church for over 25 years, on the board of directors, and as a lay minister. Betty Jo is still very active in that church. I attend another church when in town now.

My main hobby is riding my motorcycles and motorcycle camping. Just got home from Medicine Hat, Ab. Canada. I belong United Motorcycle Club International, I made a mistake one day and had to much to drink and ended up as the state rep. I'm also involved in a couple of other clubs. I don't ride a Harley, nothing against Harleys. I added up the miles I have traveled on a motorcycle, over 400,000 miles.

Gary Davis and I get together to hunt varmints in the spring and now deer in the fall when we draw tags.

over the years and went to Hawaii a couple of times. Once in a while we go RV'ing to the coast.

I hope to see you Friday night a MaGoos. I'm helping put on a campout in Myrtle Point that weekend and won't be there Saturday. God Bless and God Speed
